

Need more recruiting talent?

# 6 PROFESSIONALS WHO BECOME GREAT RECRUITERS

## Commercial Collection Agents

The research, persistence, and follow-through skills of commercial collectors contribute to their effectiveness in recruiting.

## Professional Fundraisers

They're well prepared for handling rejection and are savvy at selling top talent on the idea of parting ways with their current employer.

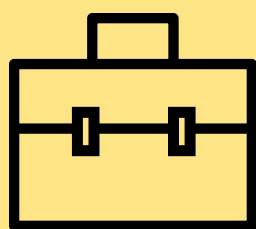

## Retail Managers

The customer service and problem-solving skills of these individuals allows them to effectively serve the needs of candidates.

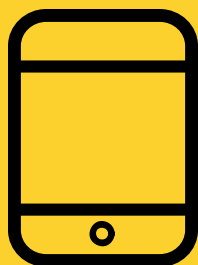

## Political Campaign Staff

Experience in managing competing priorities, handling challenging expectations, and meeting difficult deadlines helps them succeed.

## Professional Organization Staff

Superior networking skills, extensive contacts, and the ability to sell opportunity prepares them for a productive recruiting career.

## Call Center Managers

They're capable of creating a positive candidate experience over the phone and handle a large volume of calls.
